Objects for Presentation.

You've done the hard part. We thought the packaging deserved a little attention, too.

Design-led food packaging and presentation for bakers, caterers, food entrepreneurs, hospitality and food-service businesses.

Aluminum food-container sets / Introductory & wholesale options

A practical set. A little personality.

Pink concept. Exact shade, interior finish and assembled fit illustrative.

Sleeve and keeper not confirmed as included. Silver planned; unavailable.

Food packaging. Thoughtfully considered.

Suitable food applications depend on verified specifications. Desserts are one use case. Stock measurements, lid height, materials and use limits require confirmation.

IN EVERY COMPLETE SET

One empty pink aluminum container

One fitted lid

One individually wrapped pink mini shovel spoon

No sealing stickers are included. The spoon is a distinctive detail, not a proprietary design.

CURRENT PRODUCT DIMENSIONS

Tray: 166 x 65 x 30 mm; approx. 200 mL. Spoon: 120 x 30 mm, individually packaged. Lid and wrapper dimensions pending.
